

HCS 2010 Auction

Dear HCS Family and Friends,

We would like to invite you to the 2010 Hudsonville Christian Auction, "With Glowing Hearts." We are excited to bring this event to you and we eagerly await what God will do. What a blessing He has already given us in having a Christian school that "challenges minds and lives for Christ."

As a committee, we have been diligently working for many months to prepare for this event. We have put much effort into bringing a variety of new donors and items. As always, it is the generous donations of businesses and individuals that enable the auction to be successful. Without the support and generosity of these companies, individuals, and organizations our efforts would be futile. We encourage you to acknowledge these supporters whenever possible throughout the year for the assistance they have so graciously given to us. We hope that the evening will be overflowing with Christian fellowship and good food, as well as many wonderful items to bid on.

We also wish to thank all of you! None of this could take place without your support. We are very grateful for every contribution, whether the gift is monetary, gifts of time in volunteering, or in donations of baked goods. We humbly ask that you would join us in prayer that God would bless these contributions and that they would be used wisely for the many children that God has brought to Hudsonville Christian School.

Above all, we give the glory and thanks to our faithful Heavenly Father. He has guided and supported us each step of the way throughout these months. May the blessings of this night be used to further challenge minds and lives for Christ.

Serving Him,

HCS Auction Committee

HCS 2010 Auction

The auction is divided into numerous formats, each of which is described below. Please take time during the early evening to browse each section of the auction to familiarize yourself with the items available. The auction formats are as follows:

Olympic Podium: Purchase a necklace from any auction committee member for \$20.00 using your bidder number and participate in an exciting elimination event during live auction. The final three participants receive their recognition and prizes will be awarded with the values of \$9.00, \$70.00, and \$180.00. A maximum of 5 necklaces can be purchased per individual beginning at 4:45. Quantity available – 50.

Buy-A-Line: Several packages and items will be available. Each package and item will have a corresponding bid sheet next to it with a specified number of lines. You may write your name and bid number on any open line of any item that you choose. When all lines for that specific package or item are filled, the auction ends for that specific package or item. For example, if we offer a package valued at \$100.00, the corresponding sheet will have 10 open line items for \$10.00 each. You may purchase as many of those 10 lines as you wish by writing your name and number on each line of your choice. You need not start with line 1, but rather pick the line you like best. At the end of the Buy-A-Line auction, a number will be drawn for each package and item, and that number is the winning bidder. Winners will be announced during the live auction. Anyone who wrote on a line is obligated for payment in that amount, regardless of winning. Payment for the Buy-A-Line auction will be tallied with your other purchases at checkout. Buy-A-Line will run from 5:00 to 6:30.

Gift Certificate Boards: Bids for the gift certificate boards are placed by signing your bidder number and dollar amount on the bid sheet. Please raise bids in dollar increments. Gift certificate boards will be located in the gym. Open from 4:30 – 5:45.

Silent Auction Tables: You will need to fill your bidder number, the item number, and amount you wish to bid on slips of paper that are on each table. Once your slip is filled in, it can then be placed in a box that matches the color of the table the item is on. You will be unable to see what the other bids are. However, we will **TRY** to update the current highest bid on each item's description sheet at least once. Please note that the silent tables are only open from 4:30 – 5:30! When the bidding time is over, the highest bidder will then be posted on each item, so

HCS 2010 Auction

please check back to see if you are the winning bidder and claim your item(s). We ask that you please print your name on the item's sheet to acknowledge receipt of the item. We will do our best to have winners posted by the time the live auction starts. Thanks for your patience! All winning bidder numbers and amounts will be tallied with your other purchases at checkout. Open from 4:30 – 5:30.

Live Auction: Follows in the order listed in this booklet. This year, the live auction will be enhanced by a power point presentation. Live auction will begin at 6:00 and end at approximately 9:00.

Grand Prizes

This year we are offering 2 - \$250 tuition vouchers credited towards the tuition accounts of your choice. At the end of the night, there will be two separate drawings for each voucher. You must be present to win.

Attention All HCS Supporters

Internal Revenue Service regulations require all charities to provide receipts for any purchases over \$75.00 if the donor receives something in return for the contribution. Also, you may claim as a tax deduction only the portion of the purchase price that exceeds the fair market value of the items(s). Items listed as "priceless" in the program are 100% charitable contribution. We will prepare a receipt for you based on these stipulations at the time of checkout. Per Revenue ruling 67-246, amounts paid for chances to participate in the drawings (Buy-A-Line and Olympic Podium) are not gifts and such are not eligible as a tax deduction.

Reserve Bids

All items (live, silent, or gift certificates) with a reserve bid MUST be auctioned off at equal or in excess of the reserve amount. If bidding does not reach the reserve, the item will be removed from the auction block and returned to the donor, per their request. The auctioneer will notify the audience if the reserve has not been met when bidding ends.

Supper and Refreshments

New this year we are offering a Pulled Pork BBQ Sandwich dinner for \$6.00, provided by Up in Smoke. The dinner will include: homemade

HCS 2010 Auction

potato salad & baked beans, chips, and beverage. We are also offering hot dogs, dessert, candy, coffee, and pop (donated by 7-Up, Dr. Pepper Company and Pepsi Cola). Desserts will consist of pies and baked goods donated by HCS families. Dinner will begin at 5:00 and continue until 8:00. Dessert, coffee, and pop will be available throughout the evening. Please feel free to refill your coffee! Also, new this year, you may use your bidder number to pay for your dinner. Fill out a slip and the cost of dinner will be added to your receipt at checkout.

Fun with Currant Bread

Tonight we will be auctioning of 24 loaves of currant bread specially made for the auction. Five of them will have \$50 savings bonds in them. Good Luck!

Special Auction Information

Please note that items in the Live Auction will be auctioned off in the order listed.

All items in this program were described as accurately as possible. We regret and apologize for any omissions or errors.

Checkout Procedure

At the end of your evening, the recording table will have a receipt listing all of your purchases. Your receipt will include anything you may have purchased at the live auction, silent auction, gift certificate boards, Buy-A-Line, Olympic Podium, and dinner. Please check your receipt for accuracy. Proceed to the cashiers who will take your payment (cash or check only). Payment is required the night of the auction. Items purchased may not be returned or exchanged. Your financial support of HCS is greatly appreciated!

General Rules

Each guest is responsible for the care of any attending children. Children are not permitted down the hallways of the school during any

HCS 2010 Auction

part of the auction. Please help us enforce this policy and allow the auction committee to do their jobs rather than monitoring the hallways.

We ask that the premises be kept clean at all times and that you respect the efforts of Mr. Jack Elgersma and the auction committee to maintain these rooms and hallways. Thank You!

Special Thanks

The auction is possible based on the support of many people. We want to begin by thanking Thaddeus Lubbers, our auctioneer for his time and talents. Thanks to the HCS teachers for their donations; Jack Elgersma for putting up signs, set-up, and clean-up; and the office staff and administration for their assistance and support. This event would be impossible without all the businesses and private donors who provided items to be auctioned off or all the caller-runners who volunteered their time and so faithfully completed their packets. Thanks also to the cashiers, clerks, and kitchen help for volunteering their time the night of the auction. We would like to say a special thank you to Brad Devries for all his years as our IT support. This year, Todd Jeurink has graciously accepted the computer challenge, thank you Todd! Thank you to Koppel Printing for supplying the HCS fleece blankets. Most of all we are grateful to all of you for coming and bidding with such generous spirits...
THANK YOU!!!
