2. May I use Kids' Corner on an 'as needed' basis or do I have to commit to regular scheduled days?

Yes, you may enroll your child in Kids' Corner with no specific days selected. As childcare is needed, you can call or email Kids' Corner with *at least* 24-hour notice to check for availability on the days your child needs care. If there is space available, your child is welcome to attend.

3. Will I be charged for childcare if my child does not attend on his/her scheduled day?

If your child does not attend Kids' Corner on one of his/her scheduled days, you will still be charged. However, each family will receive 2 credit days that can be used anytime throughout the year. So, if your child does not attend on a scheduled day, you will be able to use a credit day to waive your charges.
