Dear HCS Families,

At HCS we rely on all of our 400+ families to participate in the thousands of available volunteer positions. There is a volunteer spot for YOU, whatever time you have available and whatever talents you can offer!

**Families enrolling students in Grades 1-8** should sign-up for a minimum of five (5) points from the Fair Sign-Up as well as twenty-five (25) points from any combination of the other sign-up links listed below.

**Single-parent households** should sign up for a minimum of five (5) fair points as well as ten (10) points from any combination of the other sign-up links.

**Families enrolling students in Young 5s and Kindergarten** should sign up for a minimum of five (5) points from the Fair Sign-Up as well as five (5) points from any of the other sign-up links.

As a reminder, please sign up for both fair points and school points by **June 7**. After that date you will be assessed opt-out fees as follows: \$95 for fair and \$30 per five points from the other sign-up links, up to \$150.

Thank you for being a integral part of the 40+ beneficial functions that volunteering supports! Many hands make light work and we are grateful for your involvement.

With gratitude,

The Parents' Club Board 2020-2021
